Time	Activities
Tuesday, Nov. 22, 2011	
8:30 - 18:00 Arrival and Registration (at the Xinhuatime Grand Hotel)	
Wednesday, Nov. 23, 2011: Formal Conference	
08:30 – 12:00 Plenary Session (Auditorium, 2nd Floor, Junwu Building, Campus of Guangxi University; Language is English)	
08:30-09:00	Plenary Session: Opening Ceremony Chair: Prof. Dr. XUE Jianhui, Vice President, Nanjing Forestry University, Deputy Director, Association of Forest Ecology, Chinese Society of Forestry
08:30-09:00	Addresses by <ul style="list-style-type: none"> ■ Mr. LI Yanquan, Executive Secretary General, Chinese Society of Forestry ■ Mr. Heinrich SPIECKER, Professor, Director, Institute for Forest Growth, University of Freiburg, Germany ■ Mr. CHEN Baoshan, Vice President, Guangxi University ■ Mr. JIANG Guixiong, General Engineer of Guangxi Forestry Administration ■ Mr. LIU Shirong, Professor, Vice President, Chinese Academy of Forestry, Director, Association of Forest Ecology, Chinese Society of Forestry, Board member of IUFRO
09:00-09:30	Group Photo and Coffee Break
09:30-12:00	Plenary Session: Keynote Speeches Co –Chairs : Prof. He Xingyuan, Director, Research Institute of Northeast Geography and Agriculture, CAS Prof. Gero BECKER, Director, Institute of Forest Utilization and Work Science, University of Freiburg, Germany
09:30-10:00	Prof. Zhu Zhaohua, Distinguished Fellow, International Network for Bamboo and Rattan (INBAR). <i>A Successful Case of Integrated Sustainable Development of Mountainous Area.</i>
10:00-10:30	Prof. Dr. Heinrich Spiecker, Director, Institute for Forest Growth, University of Freiburg. <i>Multipurpose Forestry – an Option for</i>

	<i>Future?</i>
10:30-11:00	Prof. Zhao Shidong, Institute of Geographic Sciences and Natural Resources Research, Chinese Academy of Sciences. <i>Forests and Forestry of China: The State, Challenges and Perspectives.</i>
11:00-11:30	Prof. Dr. Franz Makeschin, Chairman of the German Soil Protection Commission, Dresden University of Technology. <i>Sustainable Forest Management - challenges for ecosystem services</i>
11:30-12:00	Panel Discussion, Chaired by Prof. LU Wenming, Director, Division of International Cooperation, CAF
12:00-13:30	Lunch (Chinese Restaurant, 1 st Floor, Xinhuatime Grand Hotel)
13:30 – 18:10 Parallel Sessions	
13:30-15:40	No. 2 Meeting Room, 1st Floor, Junwu Building (Language is English)
	Symposium I: Adaptive Forest management for Multipurpose Land Use Moderator: Mr. FU Shenglei, Deputy Director, South China Botanical Garden, Chinese Academy of Sciences (SCBG, CAS)
13:30-14:00	Prof. Peter Spathelf, Eberswalde University for Sustainable Development, Germany. <i>Adaption of silviculture to climate change</i>
14:00-14:20	Dr. LI Chao, Canadian Wood Fibre Centre, Canadian Forest Service. <i>End product-based inventory valuation to support multi-use forest management</i>
14:20-14:40	Ms. Johanna STORCH, Institute for Forest Growth, University of Freiburg, Germany. <i>Management of valuable wood in China</i>
14:40-15:00	Prof. ZHANG Qibin, Deputy Director, State Key Lab of Vegetation and Environmental Change, Institute of Botany, Chinese Academy of Sciences. <i>The role of forest gap in shaping tree-ring growth and response to climate on the Tibetan Plateau</i>
15:00-15:20	Dr. Rahim Mirzaei Mollaahmad, Department of Natural Sciences, Institute of Scientific- Applied higher education of Jahad e Agriculture. <i>A Study on Structures in Less and Entire Touched Forest Stands of Sardasht Forests</i>
15:20-15:40	Q&A
15:40-16:00	Coffee Break
16:00-17:50	Symposium II: Biomass Assessment and Harvesting Techniques Moderator: Prof. Sun Jianxin, Director, Institute of Forestry and Climate Change Research, Beijing Forestry University
16:00-16:30	Prof. Gero Becker, Director, Institute of Forest Utilisation and Work Science, University of Freiburg, Germany. <i>Trends in forest</i>

	<i>management with special focus on wood supply</i>
16:30-16:50	Prof. ZHONG Zheke, China National Bamboo Research and Development Center. <i>The calorific value of bamboo in dependency of the culms age</i>
16:50-17:10	Mr. Christopher MORHART, Institute for Forest Growth, University of Freiburg, Germany. <i>Terrestrial Laser Scanners for Determination of Biomass</i>
17:10-17:30	Prof. FU Shenglei, Botanical Institute of South China, CAS. <i>Forest Restoration and Ecosystem Management in Southern China</i>
17:30-17:50	Mr. Benjamin ENGLER, Institute of Forest Utilisation and Work Science, University of Freiburg, Germany. <i>Mechanization of Harvesting Processes in Eucalyptus Stands</i>
17:50-18:10	Q&A
18:10-20:30	Welcome Reception (Chinese Restaurant, 1 st Floor, Xinhuatime Grand Hotel) Chaired by Prof. WEN Yuanguang, Director, College of Forestry, Guangxi University;
	Thursday, Nov. 24, 2011
	08:30 – 12:00 Parallel Sessions
	No. 2 Meeting Room, 1st Floor, Junwu Building (Language is English)
08:30-10:00	Symposium III: Ecological and Socio-economic Evaluation Moderators: Prof. Dr. Heinrich Spiecker, Director, Institute for Forest Growth, University of Freiburg
08:30-09:00	Dr. Mats Olof SANDEWALL, Senior researcher, Department of Forest Resource Management, Swedish University of Agricultural Sciences (SLU). <i>Multipurpose Use of Forest Land - Methods for Assessing Changes and Trends, their Drivers and their Impacts to Society</i>
09:00-09:20	Dr. DongKyun PARK, ADB-EOC (Environmental Operations Center), <i>A Study on the Development of the Methodology to Value the Social and Environmental Benefits of Forests, Connected with Payment Scheme for Forest Ecosystem Services</i>
09:20-09:40	Dr. Wu Shuirong, Associate Professor, Research Institute of Forestry Policy and Information, CAF. <i>Integrated Ecological and Economic Evaluation of ValWood Agroforestry in South China</i>
09:40-10:00	Q&A
10:00-10:30	Coffee Break

10:30-12:00	Symposium IV: Forest Management and Carbon Sequestration Moderator: Prof. Dr. Franz Makeschin, Chairman of the German Soil Protection Commission, Dresden University of Technology
10:30-11:00	Prof. Honghua Ruan, Deputy Director, Forest resource and Environment Department, Nanjing Forestry University. <i>Temperature sensitivity increases with soil organic carbon recalcitrance along an elevational gradient in the Wuyi Mountains, China</i>
11:00-11:20	Ms. Maria WOLFF, Institute of Soil Science and Site Ecology, University of Dresden. <i>Influences of tree species and forest management practices on above ground and below ground carbon and nutrient distribution in plantation forests at the red soil region in China</i>
11:20-11:40	Mr. GUO Wenfu, Senior engineer, the Experimental Centre of Tropical Forestry, Chinese Academy of Forestry. <i>Clump Planting: A Technological Innovation of Forestation for Valuable Trees</i>
11:40-12:00	Q&A
	Wednesday, Nov. 23, 2011
	13:30 – 18:20 Parallel Sessions
	Auditorium, 2nd Floor, Junwu Building (Language is Chinese)
13:30-15:40	Symposium V: Ecological Basis of Multipurpose Forest Management Moderators: Prof. HAN Hairong, Director, College of Forestry, Beijing Forestry University Prof. LI Yide, Institute of Tropical Forestry, CAF
<i>13:30-14:00</i>	Prof. XIAO Wenfa, Director, Research Institute of Forest Ecology, Environment and Protection, CAF. <i>Forest Sustainable Management: Challenges and Adaptation</i>
<i>14:00-14:20</i>	Prof. WANG Xiaoke, Research Center For Eco- Environmental Sciences, CAS. <i>Sensitivity Analysis on Impacts of the Subtropical Typical Species of China on Ozone.</i>
<i>14:20-14:40</i>	Prof. LI KUN, Deputy Director, Institute of Resources Insects, CAF. <i>Carbon Sequestration Characteristics of Dry Red Soil and the Apparent Stability of the Newly Fixed Carbon in Dry-hot Valley Woodland</i>
<i>14:40-15:00</i>	Asso. Prof. CHEN Zhenju, Institute of Applied Ecology, CAS. <i>Response of Radial Growth of Trees to Temperature and CO2 Concentration</i>
<i>15:00-15:20</i>	Dr. GE Xiaogai, Institute of Forest Ecology, Environment and Protection, CAF. <i>The effect of litter nutrient cycling to soil on Pinus</i>

	<i>Massoniana Plantation in Three Gorges Reservoir Area</i>
15:20-15:40	Asso. Prof. XU Sheng, Institute of Applied Ecology, CAS. <i>Physiological Responses of Trees to Elevated Ozone under Climate Change</i>
15:40-15:50	Coffee Break
15:50-18:20	Symposium VI: Forest Management and Dynamics Moderators: Prof. XIAO Wenfa, Director, Research Institute of Forest Ecology, Environment and Protection, CAF; Prof. WAN Shiqiang, Henan University
15:50-16:20	Prof ZHAO Xiuhai, Beijing Forestry University. <i>Study on Dynamic Monitoring on Forest Management of Permanent Sample Plots with Large Scale</i>
16:20-16:40	Prof. YU Lifei, Guizhou University. <i>Study on Karst Forest Ecology</i>
16:40-17:00	Prof. ZHANG Qingfei, Deputy Director, Shanghai Landscape Gardening Research Institute. <i>Study on Dynamic Monitoring on Urban Plantation in Shanghai: Community Structure and Population Spatial Pattern</i>
17:00-17:20	Prof. ZHOU Zhixiang, Huazhong Agriculture University. <i>Evaluation on Naturalness of Pinus Massonina Plantation with Close to Nature Reformation</i>
17:20-17:40	Prof. Chen Linwu, Sichuan Institute of Forestry. <i>Eco-environmental Characteristics of Ecotone in Mountainous Forest and Hot-Dry Valley and Revegetation Strategy</i>
17:40-18:00	Asso. Prof. WANG Yixiang, Forest resource and environment Department Zhejiang A&F University. <i>Optimization of stand operation at an individual tree level based on GIS within close-to-nature forest management</i>
18:00-18:20	Dr. ZHANG Decheng, Research Institute of Forestry Policy and Information, CAF. <i>Models for Multipurpose Forest Management</i>
	Thursday, Nov. 24, 2011
	08:30 – 12:00 Parallel Sessions
	Auditorium, 2nd Floor, Junwu Building (Language is Chinese)
08:30-10:30	Symposium VII: Forest Ecosystem Management and Carbon Sequestration Moderators: Prof. WANG Xiaoke, Research Center For Eco-Environmental Sciences, CAS; Prof. CAI Tiju, Northeast Forestry University
8:30-8:50	Prof. WEN Yuanguang, Director, College of Forestry, Guangxi University. <i>Adaptation and Response of Subtropical Montane Evergreen Broad-leaved Forest to Freezing Disaster</i>

8:50-9:10	Prof. WANG Huimin, Institute of Geographic Sciences and Natural Resources Research, CAS. <i>Effect of Ecosystem Restoration Method to Carbon Storage Allocation in Subtropical China</i>
9:10-9:30	Dr. WANG Hui, Institute of Forest Ecology, Environment and Protection, CAF. <i>Soil carbon sequestration and the related processes in four subtropical plantations in southern China</i>
9:30-9:50	Prof. WEI Jiangsheng, Inner Mongolia Agriculture University. <i>Analysis on Carbon Accumulation in Larix Gmelinii Ecosystem</i>
9:50-10:10	Asso. Prof. HUANG Zongsheng, Guizhou University. <i>Study on Carbon Pool of Current Litter Stock in the Spontaneous Recovery of Karst Forest Vegetation</i>
10:10-10:30	Dr. BAI Yanfeng, Research Institute of Forest Ecology, Environment and Protection, CAF. <i>Carbon Storage of Harvested Wood Products in China</i>
10:30-10:40	Coffee Break
10:40-12:00	Symposium VIII: Safeguards of Sustainable Forest Management Moderators: Prof. WEN Yuanguang, Director, College of Forestry, Guangxi University; Prof. Li Junqing, Beijing Forestry University
10:40-11:00	Prof. TAN Xueren, Liaoning Institute of Forest Management, <i>Strategies for Multi-objective cultivation of Korean Pine Plantation</i>
11:00-11:20	Prof. LIANG Hongwen, Guangxi University. <i>Storage of Woody Debris and Variation of Carbon and Nitrogen Contents of Evergreen Broad-leaved Forest in Damingshan Mountain after Heavy Snow Disturbance.</i>
11:20-11:40	Prof. MA Abin, Heilongjiang Institute of Forestry. <i>Practices on Certification of Sustainable Forest Management in China</i>
11:40-12:00	Prof. FAN Baomin, Research Institute of Forest Policy and Information, CAF. <i>Theory and Patterns of Multipurpose Forest Management</i>
12:05 – 12:30 Plenary Session (Auditorium, 2nd Floor, Junwu Building; Language is English)	
12:05-12:30	Plenary session: Wrap Up and Closing Chair: Prof. XIAO Wenfa, Director, Research Institute of Forest Ecology, Environment and Protection, CAF
	Closing remarks by Prof. Dr. Heinrich Spiecker, Director, Institute for Forest Growth, University of Freiburg, Germany
	Closing remarks by Prof. LIU Shirong, Vice President, Chinese Academy of Forestry

18:00-20:00	Farewell Dinner (Chinese Restaurant, 1 st Floor, Xinhuatime Grand Hotel) Chaired by Prof. LU Wenming, Director, Division of International Cooperation, CAF
Friday, Nov. 25, 2011: Post-conference Excursion to Pingxiang	
Daytime: In-Conference Field Trip	
08:00 -- 11:00	From Nanning to Pingxiang, started from the Xinhuatai Grand Hotel
11:00 -- 13:00	Field visit to demonstration forest at Fubo Experimental Forest
13:00 -- 14:00	Lunch at Pingxiang
14:00 -- 16:00	Visit to the Friendship Pass
16:00 -- 19:00	Travel back to Nanning
19:00 -- 20:00	Dinner
